My dear Madam:-

Your application having been executed before a Notary Public, instead of a County Judge, must ask that you get a certificate from the County Judge, testifying to your widowhood, residence in County, and such matters, or file a new application through the County Judge, which I would consider the best course, as all applications should come through the County Judge.

Yours truly,

Hon. SH. Terrel,

Dear Sir:

I am enclosing you application of Mrs. L. Q. C. Eskew for pension. You will note that she left Texas and went to Arkansas in 1918 and returned to Texas in Oct. 1924. There is no doubt in my mind but that she still looked on Texas as her home but was not able to get back. She is a very old lady and will not be here very long but needs this assistance very much. You have definite rules to govern you, but I merely wish to state that this is a very worth case in my opinion and urge if possible under the laws that you place her on the list at once.

Yours truly,

I am returning application accompanied by her affidavit as to residence in Arkansas and request that another application be filed if she desired approval of same.
