COMPTROLLER'S OFFICE
STATE OF TEXAS

250-107-3m

AUSTIN, TEXAS, February 1, 1907.

CONFEDERATE PENSIONS.

For the purpose of saving time and money, the following information is submitted to those who desire to make application for pensions.

County Judges are urgently requested to furnish a copy to every applicant for a pension. The object is to reduce a constantly increasing and burdensome correspondence with the pension department of this office, the force of which is limited to two clerks.

J. W. STEPHENS, Comptroller.

- I. Applications to the County Judge may be sworn to and subscribed before any official with an official seal, authorized under the laws of this State to take affidavits, acknowledgments, etc.
- II. The testimony of witnesses to proof of service, inability of support by labor of any sort, must be made before the County Judge or the County Commissioners. If witnesses reside without the county or the State of the residence of the applicant their testimony must be secured under the direction of the County Judge. Witnesses to proof of service must state the source of their knowledge of such service.
- III. The physician's affidavit must be made before the County Judge.
- IV. The application, after approval by the County Judge, must be approved by the County Commissioners at a regular term of said court. Approvals at a called term of said court are not in compliance with the law and can not be approved at this office.
- V. Pensions can begin only on the first day of April and October of each year, and applicants are requested not to write letters of complaint to this department in the belief that pensions can begin July 1st and January 1st.
- VI. Applicants who originally enlisted in Texas commands, who were bona fide resident citizens of this State May 12, 1899, and whose residence has been a continuous one since that date, are entitled to pensions, if otherwise qualified.
- VII. Applicants who enlisted in other States, and who have been bona fide resident citizens of this State since January 1, 1880 (*the date for widows is March 1, 1880*), and whose residence has been a continuous one since those dates, are entitled to pensions, if otherwise qualified.
- VIII. Confederate soldiers who are under sixty years of age are advised to postpone their application unless they can furnish proof that their disability is the approximate result of their service in the army; and can state "when, where and how" said disability occurred. Without such proof their applications, under the provisions of the law, have to be rejected.
- IX. Indigent widows of Confederate soldiers or sailors are entitled to pensions, if otherwise qualified, provided they were married to such soldiers or sailors anterior to March 1, 1866, and have never re-married. All applications that do not come up to these requirements have to be rejected.
- X. Applicants who are in receipt of Texas veteran or United States pensions are not considered to be "indigent" within the meaning of the pension law. Such applications will be rejected.
- XI. For a better understanding as to property qualifications, the following was made by the Legislature a part of the pension law: "Provided, that the word 'indigent,' within the meaning of this law, shall be construed to mean one who is in actual want, and destitute of property and means of subsistence."
